Welcome back to Term 3:

The cold weather has certainly arrived. The frosty starts sometimes lead to warmer days and jumpers being removed at school. Please make sure that all school clothing is labelled, so it can be returned. *ALSO please take the opportunity to drop into the school Admin area and check the lost property basket if you need to as well– it is overflowing!*

Term 3 is a time of consolidation of learning and the ten week term is always exciting to watch individual student's growth. Please keep supporting home reading, completing homework and staying in touch with your child's class teacher. Our teachers are focussing on Professional Development around the teaching and learning of Mathematics this term. There is a whole day of PD **(Pupil Free Day) planned for Thursday 12th August.** All staff will be working that day with a Maths specialist: Michael Minas.

DET– COVID processes updated:

As per the end of last term, parents and carers are welcomed back be on site at school for drop off and collection as necessary. There is no need to sign in, as you are remaining outside. **If adults are attending before school Yoga (via booking only), they will need to use the QR code to sign in please. Sorry, but density limits still exclude parents and carers from entering classrooms or joining Brekky Club at the moment. All adults (parents or visitors) entering the Administration (Office) area must wear a mask and use the QR sign in code please. COVID cleaning routine continue around the school also.

Student Led Conferences last term:

Thanks to everyone for their support and participation in these meetings. Our preference would have been to meet face to face, but it certainly showed how flexible we have all become. It was great to see the way families accessed *Sentral* for June student achievement reports. We will use the same process in December for reporting also.

Winter Woollies fundraiser:

Our combined efforts raised just under $200 to support the Smith Family. Thanks to the SLC for their organisation and to all families for their support. Our SLC will be organising more events this term- watch this space!

Fathers Project night for fathers and father figures:

A new date has been set— *Monday 9th August @ 6– 7:30pm, at school, for Fathers and Father figures only this time! Child care will be available if needed.* There are some great activities planned. Please save the date and a RSVP note will be coming home next week to help with catering and child care.

Cheers—Mrs Costello

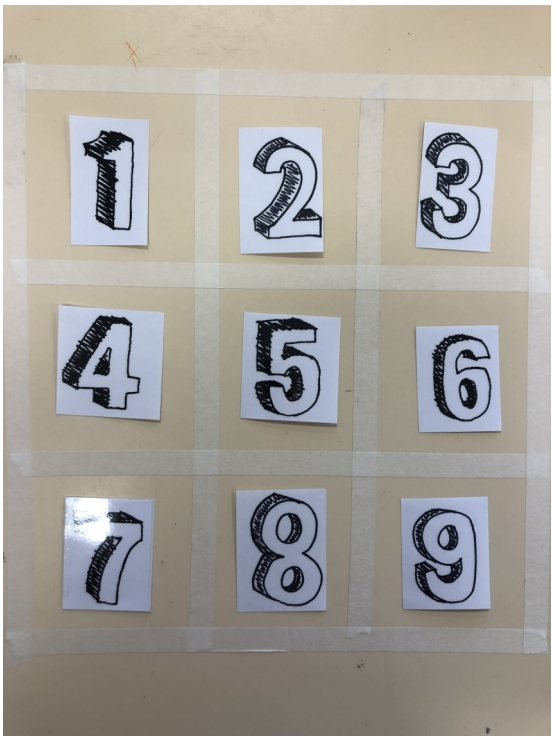
Maths

1/2 M.B. Room 6



'Womin Dji Ka' or 'Welcome' in our local DjaDja Wurrung language to another third term.

We've created a maths corner for use during investigation time this term. There are games and puzzles plus problem solving questions to answer.

An example is the on the picture on the right hand side.

Can you arrange the numbers so that every row, column and diagonal add up to 15?

Good luck.

MY SNOW HOLIDAY

"When are we going to leave?" I asked. We were going to the snow for the holidays. It was going to be very fun. Me and my sister Freya were going skiing for the first time. I was very excited. Me and Freya had all ready packed our bags. "Soon". My mum replied. "We just need to finish packing the car." This is the last suitcase then we can leave It takes four and a half hours to get there.

Art

In Term 3 each year, every class completes a drawing task to demonstrate their current skill level. This page is then added to their Drawing Journals, which are kept on-site and added to each year until they finally take them home after graduating from Grade 6.

One of the tasks this term involves turning fingerprints into pictures. This can be a fun activity to do at home too. Here are some fingerprints for you to draw on with your child. What can you turn them into?

Here are some ideas from other artists...

A message from your Coordinator

Hello Violet Street families,

Welcome back to term 3. I cannot believe we are already halfway through the year already. We are looking forward to a fun filled term with new resources and new planned activities that all children will be able to have a go at and enjoy. This term we will be participating in both book week and Are You Ok day?

Families, please remember that if your child is not attending their after-school care booking please ensure you either cancel through the parent portal or by calling customer care or by messaging me directly to the OSHC mobile on 0408 592 784. This is important so we can ensure numbers and the safety of all children.

We look forward to seeing all the children and families in the coming few weeks.

Thank you,

Kaitlin Massara- Coordinator
Amy Manderson- Assistant

Below is some information for those students and families that may be interested in the Athlete Development Program (ADP) in 2022. There is some information below about the program and about the open training sessions being held from the 13th of July to the 22nd of July. Any further information can be found at https://www.adp.vic.edu.au/

ADP Information from ADP Manager Chris Hogan:

ADP 2022 applications open on the 13th of July via https://www.adp.vic.edu.au/, they will close on August 16th at 5pm. All students enrolling at Bendigo Education Plan Secondary Schools are eligible to apply.

The sports we offer technical squad training for are: AFL, Athletics, Basketball, Cricket, Cycling (Road and Track), Football (Soccer), and Netball.

We are opening our applications for the 2022 intake at the beginning of term three. In an attempt to promote our program, we are conducting two weeks of open training sessions, where parents and interested families are able to observe any of our Technical Squad Sessions before they apply for ADP 2022. Obviously, health restrictions may impact this possibility, please refer to the ADP website for the most up to date changes to session availability.

Over the page you will find the ADP timeline of events...
